Oregon Progressive Party Position on Bill at 2015 Session of Oregon Legislature:

Support: HB 2559

Dear Committee:

The Oregon Progressive Party officially supports HB 2559, which prohibits inclusion, in instrument conveying or contracting to convey real property or in declaration or bylaws of planned community or condominium, of provisions prohibiting installation and use of solar panels for obtaining solar access.

Solar panels are beautiful and should not be discouraged, much less banned.

Please include this statement in the legislative record for this bill.

Thank you.
