Oregon Progressive Party Position on Bill at 2015 Session of Oregon Legislature:

Support: HB 2879

Dear Committee:

The Oregon Progressive Party officially supports HB 2879, which establishes task force to study financing and delivery of health care in this state and make recommendations regarding legislative changes to ensure that residents of this state have access to high-quality health care.

We prefer adoption of statewide single-payer public system, but HB 2879 is better than nothing.

Please include this statement in the legislative record for this bill.

Thank you.
