Oregon Progressive Party Position on Bill at 2015 Session of Oregon Legislature:

Support: HB 3225

Dear Committee:

The Oregon Progressive Party officially supports HB 3225, which directs Environmental Quality Commission to adopt rules applying certain oil spill prevention and emergency response planning requirements to railroads that own or operate high hazard train routes in this state.

This is the bare minimum necessary step.

Please include this statement in the legislative record for this bill.

Thank you.
