Oregon Progressive Party Position on Bill at 2017 Session of Oregon Legislature:

HB 2129: Support

Dear Committee:

The Oregon Progressive Party supports this bill, which:

- Restricts limitation on award of noneconomic damages to claims in actions for wrongful death.
- Directs State Court Administrator to annually adjust limit on noneconomic damages, beginning in 2018.
- Specifies method by which administrator must make adjustment.

The current \$500,000 limitation on noneconomic damages for a wrongful death claim is too low.
