**Oregon Progressive Party
Position on Bill at 2017
Session of Oregon Legislature:**

HB 3361: Support

Dear Committee:

The Oregon Progressive Party supports this bill, which:

- Directs State Chief Information Officer to appoint Chief Data Officer to maintain web portal for publication of data of state agencies.
- Directs Chief Data Officer to establish open data standard and publish technical standards manual for state agencies publishing data on portal.
- Requires state agencies to comply with open data standard and technical standards manual and publish data on web portal.

These would seem to be reasonable provisions.
