**Oregon Progressive Party  
Position on Bill at 2017  
Session of Oregon Legislature:**

**SB 638: Support**

Dear Committee:

The Oregon Progressive Party (OPP) supports this bill, which requires member of governing body who presides over public meeting that is recorded by sound recording to cause name of each member of governing body attending meeting and name of each person speaking at meeting to be recorded on recording.

It is hard to believe that this is not already required.
