## Oregon Progressive Party Position on Bill at 2019 Session of Oregon Legislature:

### SB 487: Support

Dear Committee:

The Oregon Progressive Party supports this bill, which prohibits insurers from using credit history or insurance score to decline coverage of, re-rate or otherwise determine eligibility for motor vehicle insurance.

People need transportation for work and daily life. Oregon law requires all drivers to have private insurance for their cars. Oregon law should not allow private companies to deny to residents the opportunity to work or shop or visit other people on the basis of their credit histories or insurance scores.
