Position on Bills at 2021 Session of Oregon Legislature:

Dear Committee: **SB 204: Support**

The Oregon Progressive Party and Independent Party of Oregon support this bill, which would add to the definition of "criminal justice agency" any "Civilian oversight agencies or review bodies designated by a municipality or a law enforcement agency in performing duties related to investigating allegations of officer misconduct or reviewing police policies and practices."

This would enable those oversight agencies to have access to the Oregon Law Enforcement Data System for the purposes of investigating allegations of officer misconduct and reviewing police policies and practices.
